Università Cattolica del Sacro Cuore

"EVERYTHING POSSIBLE IN PERSON.
EVERYTHING NECESSARY FROM REMOTE"

Envisioning life after COVID-19 on-campus is the desire to see our University come alive again, to welcome smiling faces in lecture halls and our corridors, to wish you a smooth start to a new academic year.

In 2020 institutions across the globe, including Università Cattolica del Sacro Cuore, were compelled to remodel the educational environment. In a short time, COVID-19 radically changed the way students received their education and together with their professors they were forced to adapt to alternative learning methods. Despite the challenges, Università Cattolica's response from our community was very positive and different learning methods paved the way for extensive study and new work opportunities. And we value this.

However, we foresee a return to campus in person, in full compliance with COVID-19 preventive and safety measures. Your safety comes first. We are optimistic about getting closer to university life, fostered by sharing ideas and experiences. We are excited to see the rush of students on their way to class or eagerly waving at friends passing by on campus.

With passion and perseverance, Università Cattolica is putting in an endless effort every day to inspire all its members into creating a safe, responsible and educational haven for welcoming our students on-campus.

We look forward to meeting you.

**YOUR SAFETY
COMES FIRST**

Location highlights

AT THE HEART OF EUROPE

1 - MILAN CAMPUS

- Milan is the economic capital of Italy with over 3,000 active companies present, ranging from Small and medium-sized enterprises (SMEs) to multinationals
- The World capital of fashion and design brands, host of many annual international events
- Centrally located campus facilitates access to internships across the city
- Conveniently positioned, transport hub with three airports, high-speed trains, and a 2-hour drive from the Alps and the Ligurian coast

Milan is the campus that offers the highest number of English-taught programmes. Students may choose from a range of undergraduate and graduate degrees or Specialising Master programmes across eight Schools. Most graduate programmes offer students the opportunity to undertake an internship or a field project as part of their curriculum.

- Brescia has a long history, which embraces Roman, Medieval and Renaissance periods
- The city has a very active social and economic fabric
- Rich in cultural and leisure opportunities, it is a thriving tourist attraction, thanks to its proximity to renowned lakes Garda and Iseo

2 - BRESCIA CAMPUS

A new Università Cattolica sustainable campus has been developed. Classes will begin in the 2021/2022 academic year. The building is designed with a 70-kilowatt solar power system. The campus will house over 2,000 students from the Schools of Mathematical, Physical and Natural Sciences, Education, Psychology and an undergraduate programme from Political and Social Sciences.

Visit our website

for more information about our campuses

3 - PIACENZA CAMPUS

- Piacenza is located less than 1-hour train ride away from Milan
- A key position in the Northern Italian food valley where approximately 53,000 agricultural businesses are based
- €113 billion contributions to the agri-food sector

Piacenza campus boasts on-campus Agribusiness laboratories including the most recent, SensoryLab, a sensory analysis laboratory, useful for students to learn the main sensory evaluation techniques applied to different food products from coffee to wine, oil and chocolate. The idea is to taste food, not only with the taste buds but to involve all the senses, from sight to smell, from hearing to touch.

In Cremona, Università Cattolica has recently moved and is now housed in the new campus in the former Monastery of Santa Monica. The new campus is set to design the future for the younger generations, highlighting the importance of learning, and making most of the territorial resources.

- Cremona has a picturesque historic centre with most sights clustered around the main square, Piazza del Comune
- A must for music lovers. The city was home to many luthiers, makers of stringed instruments
- The Teatro Ponchielli (where Mozart once performed) has one of the largest stages in Italy and is still popular for international performances

4 - CREMONA CAMPUS

Università Cattolica, Rome campus is affiliated with the Policlinico Universitario Agostino Gemelli hospital which opened in 1964. It is ranked the best hospital in Italy and in the top 50 worldwide based on the World's Best Hospital 2021 Ranking by Newsweek.

5 - ROME CAMPUS

- A true cultural capital. The Eternal City and cradle of western civilisation
- An open-air museum: picturesque and historic bliss, containing many of the world's most breathtaking masterpieces, from Michelangelo's ceiling in la Cappella Sistina, to the beautiful attractions in Piazza Navona, la Fontana di Trevi, il Vittoriano, il Colosseo
- A popular set of Academy Award-winning movies: The Great Beauty, La Dolce Vita, and Roman Holiday among others

Italian higher education system

STEP BY STEP

Graduate Degree/Master of Science - MSc (Laurea Magistrale)

Course duration: 2 years
ECTS/Credit points: 120

Undertaken after the undergraduate degree and aimed at providing rigorous, advanced training in more highly specialised areas. Enables students to apply for a PhD at any Italian or international university.

Specialising Master (Master Universitario)

Course duration: 1 year
ECTS/Credit points: 60

A professionalising programme providing practical knowledge and training through coursework and internships. These Masters programmes within the Italian education system do not generally allow access to a PhD programme upon completion of the Master. Recognition of the Specialising Master towards a PhD programme outside of Italy will depend on local state regulations or individual doctoral programmes. Università Cattolica's English-taught 1-year specialising Master programmes include consultancy work projects that may lead to internships/job opportunities.

Doctoral Programme - PhD (Dottorato di Ricerca)

Course duration: 3 years
ECTS/Credit points: 180

Undertaken after the completion of a Master of Science or an equivalent graduate degree. It aims to develop the professional competence to carry out high level research in manufacturing

and service companies, public bodies and universities. **What are the differences between 2-year MSc degrees and 1-year Specialising Masters?**

The 2-year MSc degree:

- Is an academic degree of 120 ECTS
- Requires a similar academic background for access
- Provides advanced academic knowledge in highly specialised areas. Students will write a final dissertation
- The degree enables students to apply for a PhD at any Italian or international university, as well as to internships/job opportunities

The 1-year Specialising Master Diploma:

- Is a professionalising diploma of at least 60 ECTS
- Welcomes students from different academic backgrounds
- Focuses on specific topics and provides practical skills. There is dedicated time for an internship or project work and students will not write a final dissertation
- The diploma does not give students direct access to a PhD but leads to internships/job opportunities

DID YOU KNOW?

The Policlinico Gemelli hospital and School of Medicine staff played a leading role in the management of the COVID-19 pandemic. For example the Policlinico Gemelli Foundation transformed its Columbus Hospital into a Regional Covid Hospital, and MD Programme Director Prof. Luca Richeldi was a member of the Italian government's Technical-Scientific Committee, providing crucial medical consultancy regarding COVID-19.

CAREER PATHS

Cattolica's MD is valid academically in all of the EU and many other countries for residency study or professional activity (students need to monitor local regulations for getting a license to practice) • The programme is designed for students who wish to become qualified medical practitioners. A various range of careers are open to medical graduates. Due to the innovative curriculum, students will be able to start a career in both basic and clinical scientific research.

Faculty/Professors

Classes are taught by faculty (professors, lecturers) with a strong academic, research and professional background, most of whom have had teaching and research experience in some of the world's best universities.

Notable alumni

- Ignazio Marino, Transplant Surgeon and former Mayor of Rome
- Giuseppe Fioroni, former Italian Minister of Education
- Prof. Francesco Crucitti, operated on Pope John Paul II
- Prof. Sergio Alfieri, operated on Pope Francis in July 2021

Can I learn Italian while studying?

The Medicine and Surgery curriculum is designed to help students learn Italian, in order to be more confident once they will start interacting with patients during the second half of the degree.

The Italian language course is scheduled to start from the first year course.

- 1st year 24 hours (2 ECTS)
- 3rd year 63 hours (5 ECTS)

The competition call

A competition call is the official document that regulates admission to the programme. It is divided into Articles and signed by the Rector, providing all relevant information about the entrance exam (application procedure, dates, deadlines, requirements, documentation, etc.).

The 2022/23 Competition call will be published on international.unicatt.it in October 2021.

ENTRANCE EXAM

Admission to the 6-year programme in Medicine and Surgery is subject to the applicant's performance and subsequent ranking in Cattolica's very own entrance exam.

The programme has a maximum capacity of 80 places divided as follows:

- 30 seats reserved to Italian and EU citizens residing anywhere and non-EU citizens legally residing in Italy with permesso di soggiorno / residence permit
- 50 seats reserved to non-EU citizens residing abroad

In the case of students with double nationality, if one is of an EU country, it will prevail for the purpose of the final ranking of the Competition Call (art. 19, comma 2, of L. n. 218/1995).

If you have any doubts regarding which ranking you belong to **before submitting your application**, contact international.inquiry@unicatt.it

The Rome international admissions office will in any case confirm your assigned ranking upon receipt of the application and the application fee.

Please be aware that the number of places available may change in accordance with the Decree of the Ministry of Education, University and Research (MIUR), Law no.264, August 2, 1999. In both final rankings, in case of a tie, the youngest candidate will prevail.

Entry requirements

See the entry requirements section on page 37 for general requirements for admission to the entrance exam and application timeline.

APPLICATION FOR THE ENTRANCE EXAM

General requirements for admission to the entrance exam and application timeline: see page 36.

Starting from mid of October 2021 applicants must:

- Access international.unicatt.it and read carefully the "Application Guide" following all the instructions for the online application
- Apply online international.unicatt.it
- After submission, in order to finalise your application, you must pay a non-refundable application fee of €160 (through an online credit card payment). Applications will not be evaluated until the application fee has been received.
- You will receive an admission feedback email from the admission office stating if you are eligible for the entrance exam, and confirming if you need to follow the EU or NON EU timeline.
- You will receive instructions regarding the entrance exam nearer the exam date. EU students and non-EU citizens legally residing in Italy with valid permesso di soggiorno/residence permit: you will be informed of what documents to prepare and you will be communicated the test centre address.
- On the day of the entrance exam, you must bring your payment receipt and one identification document among the following:
 - ☑ Passport
 - ☑ Identity card
 - ☑ Driving license
- Non-EU students will be able to sit the entrance exam remotely online without the need to refer to a local test centre. Details will be provided in the competition call.

ENTRANCE EXAM CONTENT

The written test consists of 65 multiple choice questions divided as follows:

- 18 questions on Biology
- 12 questions on Chemistry
- 8 questions on Physics and Math
- 2 questions on General Knowledge
- 20 questions on psycho-attitudinal subjects (logic, visual space reasoning, text understanding, attention and precision, numerical reasoning, problem solving)
- 5 questions on religious and ethical culture

Candidates have 65 minutes to complete the test.

Evaluation follows the criteria indicated below:

- 1 point for each correct answer
- Minus 0.25 point for each wrong answer
- No points for no answer

Please visit international.unicatt.it for further information about the admission test (quiz books, online simulator etc.).

Admitted candidates will be asked to pay the first University fee instalment to secure their place in the programme within 2 weeks from the admission results publication. The aforementioned sum will be deducted from the AY 2022/23 tuition fees. Should the admitted candidates not pay the deposit by the deadline they shall be considered as 'withdrawn'; vacant places shall be made available to other candidates according to merit ranking.

OPEN OPPORTUNITIES

Student services

BECAUSE WE CARE

WORKING WHILE STUDYING

Non-EU students entering Italy on a student visa are permitted to work part-time (20 hours per week). Please note that many part-time job employers may require students to have a good knowledge of the Italian language.

ACCOMMODATION

Università Cattolica facilitates the search for accommodation by providing placement options at residences or other housing types in the city, or a list of recommended private housing providers specialised in international student accommodation. Each city campus will have different options. Details at › international.unicatt.it

LIVING EXPENSES PER ANNUM

 Accommodation (not including meals)*	From €5,000 to €8,000
 Food	From €1,500 to €2,000
 Personal Expenses	From €2,400 to €4,800
 Books	€400
 Local Transportation	€200
 Travelling and extracurricular activities	From €1,000 to €2,000

* The cost may vary depending on the area, the kind of room (single or double), utilities etc. Living costs in Piacenza are approximately €200 per month, lower than in Milan and in Rome.

MEDICAL INSURANCE

EU Citizens

If you are a citizen from either an EU Member State or an EEA country or you are of Swiss nationality, you should have a European Health Insurance Card (eHIC, Italian acronym: TeAM) obtained in your home country from your national healthcare authority. The European Health Insurance Card (or eHIC) allows you to receive medical treatment in another member state for free, or at a reduced cost. A patient contribution is required for prescriptions, medical examinations, oral and dental care.

Non-EU Citizens

If you are a non-EU citizen you must take out an International Health Insurance which covers costs related to medical treatment and admission to hospital. If allowed by the Embassy/Consulate, you can also buy an Italian national Health Insurance upon arrival to Italy. Cattolica International will provide all necessary forms during the Orientation event.

All enrolled students are allowed to sign up for a health insurance policy provided by Università Cattolica valid for up to 12 months and renewable each year of enrolment at no additional cost. All eligible students will be notified of the terms and procedure to register. This coverage will cover students in Italy and other countries outside of the student's country of origin/residence.

LOCAL TRANSPORTATION

Students on all campuses will have access to discounts on public transportation, as well as bike-sharing services.

LEARNING ITALIAN

If you are looking for a flexible and autonomous solution to learn Italian while studying at Università Cattolica, you can access the self-learning linguistic lab (CAP) of the SELDA (Servizio Linguistico d'Ateneo) and benefit from a personalised language advisory service. Refer to our website for your specific campus of destination.

In addition, SELDA organises fee-paying Italian language courses aimed at preparing for the PLIDA test. You can contact SELDA for more information after your arrival in Milan.

Entry requirements*

Undergraduate requirements

- A high school qualification awarded after a minimum of 12-years of global schooling
- The high school qualification has to satisfy the requirements for access to university-level studies in the awarding country:
 - ☐ US Diploma: students must pass 3 AP exams in subjects relevant to the chosen programme
 - ☐ Canadian Diploma: students satisfy the requirements for access to university as prescribed by each of the 13 Provinces and Territories in terms of both credits and subject combination
 - ☐ British Diploma: min. 3 A-levels in subjects relevant to the chosen programme
 - ☐ International Baccalaureate (IB) full Diploma candidates can apply to a Bachelor programme. The IB Diploma must be awarded by no later than the session of May 2022 (results available at the beginning of July 2022). Our IB code is 001623. IB Certificates are NOT valid for enrolment
 - ☐ National Diploma: if admission to university-level studies is subject to a special exam in the country where you graduated from high school, you must give evidence to have passed such selection with the required scores
- Medicine and Surgery: above requirements in addition to passing Cattolica entrance exam and rank within the first 50 (non-EU) or first 30 (EU) places according to your nationality

Language requirements*

English language proficiency (for English-taught programmes)

- Upper secondary studies completed fully in English, or in one of the listed national education systems, IB Diploma included (visit our website for the up-to-date list)
