

Università Cattolica del Sacro Cuore

OPEN NEW DOORS

Students joining Università Cattolica del Sacro Cuore, affectionally known as Cattolica, are ready to **embark on a once-in-a-lifetime journey** and shape their education and experience in **one of five iconic Italian cities of their choice**.

Università Cattolica, the **largest non-state University in Europe**, offers a wide **variety of academic opportunities, with a breadth of programmes** taught in English or in Italian in Medicine, Law, Humanities, Economics and Business, Accounting and Finance, Agriculture, Psychology, Modern Languages, Political and Social Sciences, Education and Mathematical, Physical and Natural Sciences. **Sixteen of the Universities disciplines** are ranked in the **TOP 300 in the world**, or higher, according to the **World University Ranking by Subject 2022**.

An **excellent academic reputation** and a **century of experience** are not the only things we are proud of. With a **vast student and campus diversity**, students are bound to find the right place and community that will help them **perform academically at their best** and **fulfil their long-term aspirations**.

Students can envision themselves in the sun-drenched **Rome** where an archaeological spectacle and three millennia of history awaits at every corner, or **Milan**, home to many of the world's most famous luxury brands. Perhaps they will be charmed by the ancient wonders on the cobblestoned streets and laneways of the **Brescia** campus or will find themselves at the cross-roads of Italy's famous agricultural heartland in **Piacenza and Cremona**.

Whichever location students choose, they will **always be part of the Cattolica family**. Its vast networks will **open doors around the globe**, and its **care and commitment** toward its students **ensure a fulfilling international study experience** that students will have difficulty finding elsewhere.

Location highlights

AT THE HEART OF EUROPE

5 Campuses

1 - Milan campus

- Milan is the economic capital of Italy with over 3,000 active companies present, ranging from small and medium-sized enterprises (SMEs) to multinationals
- The World capital of fashion and design brands, host of many annual international events
- Centrally located campus facilitates access to internships across the city
- Conveniently positioned, transport hub with three airports, high-speed trains, and a 2-hour drive from the Alps and the Ligurian coast

- Brescia has a long history that is evidenced by the architecture of Roman, Medieval and Renaissance periods
- The city has a very active social and economic fabric
- Rich in cultural and leisure opportunities, it is a thriving tourist attraction, thanks to its proximity to renowned lakes Garda and Iseo

2 - Brescia campus

Università Cattolica has developed a brand new sustainable campus. The building is designed with a 70-kilowatt solar power system. The campus houses over 2,000 students from the Schools of Mathematical, Physical and Natural Sciences, Education, Psychology and an undergraduate programme from Political and Social Sciences.

Visit our website

for more information about our campuses

3 - Piacenza campus

- Piacenza is located less than 1-hour train ride away from Milan
- A key position in the Northern Italian food valley where approximately 53,000 agricultural businesses are based
- €113 billion contributions to the agri-food sector

In Cremona, Università Cattolica has recently moved and is now housed in the new campus in the former Monastery of Santa Monica. The new campus is set to design the future for the younger generations, highlighting the importance of learning, and making most of the territorial resources.

- Cremona has a picturesque historic centre with most sights clustered around the main square, Piazza del Comune
- A must for music lovers. The city was home to many luthiers, makers of stringed instruments
- The Teatro Ponchielli (where Mozart once performed) has one of the largest stages in Italy and is still popular for international performances

4 - Cremona campus

Università Cattolica, Rome campus is affiliated with the Policlinico Universitario Agostino Gemelli hospital which opened in 1964. It is ranked the best hospital in Italy and #37 worldwide based on the World's Best Hospital 2022 Ranking by Newsweek.

5 - Rome campus

The Piacenza campus has on-campus Agribusiness laboratories including the most recent, SensoryLab, a sensory analysis laboratory, useful for students to learn the main sensory evaluation techniques applied to different food products from coffee to wine, oil and chocolate. The idea is to taste food, not only with the taste buds but to involve all the senses, from sight to smell, from hearing to touch.

- A true cultural capital. The Eternal City and cradle of western civilisation
- An open-air museum: host to many of the world's most breathtaking masterpieces, from Michelangelo's ceiling in la Cappella Sistina, to the beautiful attractions in Piazza Navona, la Fontana di Trevi, il Vittoriano, il Colosseum
- A popular set of Academy Award-winning movies: The Great Beauty, La Dolce Vita, and Roman Holiday among others

A TIME FOR
SELF-
REALISATION

#401-500

Welcome to "generation global"

OPEN YOUR WORLD

In the competitive world of employment, what truly stands out is a portfolio that shows diversity and courage: the places you have been and your experiences; your openness to explore different cultures and willingness to listen; your communication skills and languages you can speak; and, of course, your ability to be part of a team, to think critically and use your creativity to solve problems.

Such skills and accomplishments are becoming more and more important for employers. In some cases they may even be the deciding factor in getting the job or not. In other words, your journey matters.

Studying abroad is one of the most meaningful experiences you can undertake, providing tangible proof of those soft skills and demonstrating a clear picture of your character: having the courage to undertake such a journey. It is more than a degree; it is independence, confidence and shaping of an authentic identity.

And one day, you will utilise those qualities. To get the job you want, flourish within it, and make a difference in your unique way.

You are helping define a new era. You are a member of the world's first global generation that values the journey itself.

Double Degree programmes with **30** universities

Double Degree programmes offer students the possibility to obtain a double qualification by the end of their studies and a chance to study part of their degree programme at one of the following 30 partner universities.

International Outreach

The Centre for Higher Education Internationalisation (CHEI)

The Centre for Higher Education Internationalisation (CHEI) is based at the Milan campus of Università Cattolica del Sacro Cuore. The centre offers a PhD programme in the Internationalisation of Higher Education in conjunction with the Doctoral Schools of Education and Linguistic Sciences and Foreign Literatures. It also conducts research and offer training in various aspects of the internationalisation of higher education through seminars and workshops for academics and professionals. Many of these initiatives are delivered through international partnerships, networks and projects. Learn more at centridiricerca.unicatt.it/chei

Cooperations

The International Cooperation Unit provides support for faculty members in their selection of adequate calls for applications that are launched mainly by the European Union, the Ministry of International Affairs and by other entities, such as various foundations. Università Cattolica actively cooperates with projects within the EU framework that focus on social and educational issues: inclusion strategies in education; social responsibility in business; the food supply chain (Faculty of Agriculture, food and environmental sciences) and others; intercultural and sports mediation in international Diplomacy; internationalisation at home of the higher education; soft skills and new technologies in adult education; practical training exchanges for the students in Medicine and surgery.

Confucius Institute at Cattolica (CI)

The Confucius Institute at Cattolica is dedicated to encouraging interest in and spreading knowledge of the Chinese language and culture in the University, in the city of Milan and more generally in the Lombardy region. The CI offers a variety of specially designed courses, activities and events for its members and the community, and provides specialised resources for learners and teachers.

Italian higher education system

STEP BY STEP

MSc - Graduate Degree/Master of Science (Laurea Magistrale)

Course duration: 2 years

ECTS/Credit points: 120

Undertaken after the undergraduate degree and aimed at providing rigorous, advanced training in more highly specialised areas. Enables students to apply for a PhD at any Italian or international university.

Specialising Master (Master Universitario)

Course duration: 1 year

ECTS/Credit points: 60

A professionalising programme providing practical knowledge and training through coursework and internships. These Masters programmes within the Italian education system do not generally allow access to a PhD programme upon completion of the Master. Recognition of the Specialising Master towards a PhD programme outside of Italy will depend on local state regulations or individual doctoral programmes. Università Cattolica's English-taught 1-year specialising Master programmes include consultancy work projects that may lead to internships/job opportunities.

Doctoral Programme - PhD (Dottorato di Ricerca)

Course duration: 3 years

ECTS/Credit points: 180

Undertaken after the completion of a Master of Science or an equivalent graduate degree. It aims to develop the professional competence to carry out high level research in manufacturing and service companies, public bodies and universities.

What are the differences between 2-year MSc degrees and 1-year Specialising Masters?

The 2-year MSc degree:

- Is an academic degree of 120 ECTS
- Requires a similar academic background for access
- Provides advanced academic knowledge in highly specialised areas. Students will write a final dissertation
- The degree enables students to apply for a PhD at any Italian or international university, as well as to internships/job opportunities

The 1-year Specialising Master Diploma:

- Is a professionalising diploma of at least 60 ECTS
- Welcomes students from different academic backgrounds
- Focuses on specific topics and provides practical skills. There is dedicated time for an internship or project work and students will not write a final dissertation
- The diploma does not give students direct access to a PhD but leads to internships/job opportunities

- Final dissertation (6 ECTS)

* The Servizio Linguistico di Ateneo (SeLdA) promotes the learning of modern languages.

Study plan refers to academic year 2022/2023 and may be subject to change.

DID YOU KNOW?

It's no surprise that this degree focuses on the industries of food and fashion: they constitute one of the largest Italian exports and international imports globally. International students can benefit from studying in Milan: both fashion capital and a star of the food industry, with the most innovative and diverse international cuisine scenario nationally, and 16 Michelin-starred restaurants.

- Quantitative methods for finance I (5 ECTS)
- Reporting and financial statement analysis (10 ECTS)
- Financial management (5 ECTS)
- Theology II

YEAR 3

- Introduction to financial econometrics (5 ECTS)
- Derivatives (5 ECTS)
- Corporate finance (10 ECTS)
- Valuation and private equity (10 ECTS)
- International monetary economics (6 ECTS)
- Statistical methods for finance and insurance (6 ECTS)
- Three optional courses among the following: (15 ECTS)
 - Digital business model innovation (5 ECTS)
 - The R language and environment for statistical computing (5 ECTS)
 - Taxation (5 ECTS)
 - Corporate restructuring (5 ECTS)
 - Final dissertation (3 ECTS)

Double Degree Options

- Bangor Business School (Bangor, UK)

Once enrolled, students can refer to Cattolica International for further information

DID YOU KNOW?

The School of Banking, Finance and Insurance Sciences goes beyond providing an outstanding academic preparation to its students; it offers a precious combination of soft and digital skills courses that students can integrate with their studies, as well as clinical lectures in which a specific topic is explored to such depth that students gain specialised competencies.

Under the guidance of the School's partner agencies and experienced professionals, students will concretely translate their experience into high added value performance.

CAREER PATHS

- Manager in a banking institution (banks, asset management companies, private equity companies)
- Financial officer in industrial or commercial companies
- Financial analyst
- Financial advisor in a law firm

Programme-specific entry requirements

See the entry requirements section on page 54 for general undergraduate requirements (e.g. language prerequisites).

Food Production Management

Laurea Triennale in Food Production Management

School: Agricultural, Food and Environmental Sciences

for the most
updated info,

Campus: Piacenza, Italy
Next Intake: September 2023
Duration: 3 years

Total ECTS: 180
Edition #: 7

YEAR 1

- Applied statistics and physics (9 ECTS)
 - Applied statistics (4)
 - Physics (5)
- Chemistry (10 ECTS)
 - Inorganic chemistry (5)
 - Organic chemistry (5)
- Plant physiology and genetics (9 ECTS)
 - Plant physiology (4)
 - Applied genetics (5)
- Biochemistry (8 ECTS)
 - Biochemistry (4)
 - Applied biochemistry (4)
- Applied agronomy and horticulture (8 ECTS)
 - Applied agronomy (4)
 - Horticulture (4)
- Food economics (10 ECTS)
 - Fundamental in economics (5)
 - Agri-food economics (5)

YEAR 2

- Applied agri-food microbiology (6 ECTS)
- Food technology (9 ECTS)
 - Principles of food processing technology (5)
 - Sensory evaluation (4)
- Crop protection (9 ECTS)
 - Entomology (3)
 - Plant pathology (6)
- Animal science (9 ECTS)
 - Animal physiology (4)
 - Applied animal science (5)
- Sustainability and food law (10 ECTS)
 - Food law and certification (5)
 - Economic and environmental sustainability of agriculture (5)

The wine trail

- Applied viticulture (6 ECTS)
- Applied enology (6 ECTS)
- Integrated vineyard protection (6 ECTS)

YEAR 3

- Food safety (8 ECTS)
 - Biological safety (5)
 - Chemical safety (3)
- Cheese and cured meat hub
 - Milk, meat production and technology (12 ECTS)
 - Milk and meat production (6)
 - Technology of animal chain products (6)
 - Microbiology of dairy and meat food (6 ECTS)

Tomato, pasta and bakery hub

- Vegetable production and technology (6 ECTS)
- Cereal grains, processing and technology (12 ECTS)
 - Cereal grains (6)
 - Grain processing and baking technology (6)
- Free programmes (12 ECTS)
- Internship and final exam (9 ECTS)

Faculty and Teaching Staff

Each academic year, internationally renowned scholars will join the programme as visiting professors for specialised courses.

DID YOU KNOW?

The programme provides hands-on laboratory experience with the innovative Sensory lab, allowing students to analyse how food's properties stimulate each of our senses according to the most advanced technology in sensorial analysis.

Taught at Piacenza campus, immersed in the so-called 'Food Valley' of Italy, the ideal setting for studying in-depth all the facets and phases of the agri-food system.

CAREER PATHS

- Postgraduate study (2-year MSc or Specialising Master) in Italy or abroad
- Graduates will be qualified to enter any working segment of a given agro-food chain in small and medium enterprises
 - as well as large companies. Working roles include: Provisions for primary inputs (i.e. chemicals, seeds, fertilizers)
 - Management of crop production (either field and tree crops)
 - Food processing and conservation
 - Packaging
 - Marketing
 - Traceability and consumers' preferences

Programme-specific entry requirements

See the entry requirements section on page 54 for general undergraduate requirements (e.g. language prerequisites).

International Relations and Global Affairs

(IRGA)

Laurea Triennale in Scienze Politiche e delle Relazioni Internazionali

School: Political and Social Sciences

Campus: Milan, Italy	Total ECTS: 180
Next Intake: September 2022	Edition #: 7
Duration: 3 years	

YEAR 1

- Economics (12 ECTS)
- History of political institutions (9 ECTS)
- Political science (9 ECTS)
- Public law and governance (9 ECTS)
- Quantitative methods for social sciences (9 ECTS)
- Sociology (9 ECTS)
- Advanced English for international relations (9 ECTS)

YEAR 2

- Global ethics and restorative justice (6 ECTS)
- Global contemporary history (9 ECTS)

- Clinical psychology (8 ECTS)
- Psychological testing (with practical activities) (8 ECTS)
- Clinical interviewing (with practical activities) (8 ECTS)
- Two elective courses among the following: (8+8 ECTS)
 - Psychology of interpersonal, family, and social relationships
 - Communication and cognitive enhancement technologies
 - Health and Sport Psychology
 - Psychology of typical and atypical adolescence
- Elective courses (8 ECTS)
- Guided practice (6 ECTS)
- Final dissertation (4 ECTS)

* (the Faculty recommends the course "Personality psychology")

*** Honors Track** Honors Track: the Psychology Honors Track provides an opportunity for some distinguished students, with higher scores than their cohort, to get direct research experience, under the guidance of a Faculty mentor

DID YOU KNOW?

The teacher/student ratio across 3 years of the Bachelor's Degree is 1:10, very small compared to typical class sizes. Intimate classes ensure dialogue among students and close contact with the professional world thanks to the exposure to experts of institutions and organisations active in the international socio-political panorama.

CAREER PATHS

- Postgraduate study (2-year MSc or Specialising Master) in Italy or abroad
- International careers in governmental institutions, NGOs or journalism
- HR department of large corporation/institutions
- International marketing research

DID YOU KNOW?

Università Cattolica's Psychology School scored the highest satisfaction rate amongst students (95,5%) in Italy. 87,5% would recommend the Faculty to peers.
(source: Consorzio AlmaLaurea 2020).

CAREER PATHS

- Postgraduate study (2-year MSc or Specialising Master) in Italy or abroad, in various fields, including Clinical Psychology
- Students who graduate from the BSc in Psychology can work as a junior psychologist in social, organisational, personal and community services. Graduates will be able to apply psychological knowledge and techniques to support

assessment practices and psychological interventions, to enhance health and well-being, to promote the personal and social development of individuals, groups, organisations, and societies. Some activities could be supervised by a psychologist, others can be carried out independently, others alongside and collaborating with multidisciplinary teams

Programme-specific entry requirements

The curriculum has a strong quantitative component, therefore, requiring a good grasp of Mathematics. Students who wish to reinforce their application are encouraged to take the SAT or ACT tests (no minimum score required).

See the entry requirements section on page 54 for general undergraduate requirements (e.g. language prerequisites).

for the most updated info,
scan or click here

Programme-specific entry requirements

Applicants will need to first write a motivation letter answering some specific questions (template available on [international.unicatt.it](#)). The second phase of the application will consist of an online interview with the Professors of the School of Psychology. Updated requirements, including min GPA, available at [international.unicatt.it](#).

See the entry requirements section on page 54 for general undergraduate requirements (e.g. language prerequisites).

Medicine and Surgery*

Single-Cycle Degree in Medicine and Surgery

School: Medicine and Surgery

Campus: Rome, Italy
Next Intake: September 2023
Duration: 6 years

Total ECTS: 360
Edition #: 11

for the most updated info, scan or click here

In order to achieve formative goals, the Medicine and Surgery programme is organised to offer a total number of 360 European Credit Transfer System (ECTS), spread over a 6-year course. 60 credits consist of activities aimed at acquiring specific professional skills. Each ECTS corresponds to 12 hours of teaching. In case of professional training, each credit corresponds to 17 hours.

YEAR 1

- Basic sciences
- Biomedical sciences I
- Biomedical sciences II
- Organic and functional systems I: bones and muscles
- First aid and nursing practice I
- Residency in health centre
- Introduction to Christology and scriptures
- Optional project I
- Vertical domain I/Electives I
- Italian language

YEAR 2

- Organic and functional systems II
- First aid and nursing practice II
- Methodology of research I
- Organic and functional systems III

- Bioethics and medical humanities
- Introduction to theological anthropology and ecclesiology
- Informatics
- Optional project II
- Vertical domain II/Electives II

YEAR 3

- Biopathology and introduction to medical therapy I
- Biopathology and introduction to medical therapy II
- Epidemiology and biostatistics
- Public health
- Introduction to clinical medicine
- Methodology of research II
- Introduction to ethics and Christian ethics
- Scientific English
- Italian language
- Optional project III
- Vertical domain III/Electives III

YEAR 4

- Clinical centre residency I
- Medicine residency I
- Maternal and child health residency
- Clinical neurosciences
- From clinical to molecular biology I

- International foundation of medicine (IFOM) test
- Optional project IV
- Theology (seminarial course)
- Vertical domain IV/Electives IV

YEAR 5

- Clinical centre residency II
- Public health residency
- Medicine residency II
- Surgery residency I
- Surgery residency II
- From clinical to molecular biology II
- Optional project V
- Vertical domain V/Electives V

YEAR 6

- Health centre residency - Final training
- From clinical to molecular biology III
- Hospital residencies - Final training
- Practical-evaluation training general medicine
- Optional project - Final project
- Final test

Double Degree Options

- Thomas Jefferson University (Philadelphia, USA)

DID YOU KNOW?

The renowned US newspaper, Newsweek, placed the Policlinico Gemelli on the first place in the World's Best Hospital 2022 list amongst other 2,000 hospitals for its consistent excellence, top-notch nursing care and state-of-the-art technology.

CAREER PATHS

- Università Cattolica's MD is valid academically in all of the EU and many other countries for residency study or professional activity (students need to monitor local regulations for getting a license to practice)
- The programme is designed for students who wish to become qualified medical practitioners. A various range of careers are open to medical graduates. Due to the innovative curriculum, students will be able to start a career in both basic and clinical scientific research.

* Programme curriculum refers to AY 2022/2023, for most up-to-date info check website >international.unicatt.it

Faculty/Professors

Classes are taught by faculty (professors, lecturers) with a strong academic, research and professional background, most of whom have had teaching and research experience in some of the world's best universities.

Notable alumni

- Ignazio Marino, Transplant Surgeon and former Mayor of Rome
- Giuseppe Fioroni, former Italian Minister of Education
- Prof. Francesco Crucitti, operated on Pope John Paul II
- Prof. Sergio Alfieri, operated on Pope Francis in July 2021

Can I learn Italian while studying?

The Medicine and Surgery curriculum is designed to help students learn Italian, in order to be more confident once they will start interacting with patients during the second half of the degree.

The Italian language course is scheduled to start from the first year course.

- 1st year 24 hours (2 ECTS)
- 3rd year 63 hours (5 ECTS)

The competition call

A competition call is the official document that regulates admission to the programme. It is divided into Articles and signed by the Rector, providing all relevant information about the entrance exam (application procedure, dates, deadlines, requirements, documentation, etc.).

The 2023/2024 Competition call will be published on >international.unicatt.it in October 2022.

Entrance exam

Admission to the 6-year programme in Medicine and Surgery is subject to the applicant's performance and subsequent ranking in Cattolica's very own entrance exam.

The programme has a maximum capacity of 80 places divided as follows:

- 30 seats reserved to Italian and EU citizens residing anywhere and non-EU citizens legally residing in Italy with valid permesso di soggiorno/residence permit you will be informed of

giorno / residence permit
■ 50 seats reserved to non-EU citizens residing abroad

In the case of students with double nationality, if one is of an EU country, it will prevail for the purpose of the final ranking of the Competition Call (art. 19, comma 2, of L. n. 218/1995).

If you have any doubts regarding which ranking you belong to **before submitting your application**, contact >internationalinquiry@unicatt.it

The Rome international admissions office will in any case confirm your assigned ranking upon receipt of the application and the application fee.

Please be aware that the number of places available may change in accordance with the Decree of the Ministry of Education, University and Research (MIUR), Law no.264, August 2, 1999. In both final rankings, in case of a tie, the youngest candidate will prevail.

Application for the entrance exam

General requirements for admission to the entrance exam and application timeline: see page 36.

Starting from mid of October 2022 applicants must:

- Access >international.unicatt.it and read carefully the "Application Guide" following all the instructions for the online application
- Apply online >international.unicatt.it
- After submission, in order to finalise your application, you must pay a non-refundable application fee of €160 (through an online credit card payment). Applications will not be evaluated until the application fee has been received.
- You will receive an admission feedback email from the admission office stating if you are eligible for the entrance exam, and confirming if you need to follow the EU or NON EU timeline.
- You will receive instructions regarding the entrance exam nearer the exam date. EU students and non-EU citizens legally residing in Italy with valid permesso di soggiorno/residence permit you will be informed of

what documents to prepare and you will be communicated the test centre address.

- On the day of the entrance exam, you must bring your payment receipt and one identification document among the following:
 - Passport
 - Identity card
 - Driving license
- Non-EU students will be able to sit the entrance exam remotely online without the need to refer to a local test centre. Details will be provided in the competition call.

Entrance exam content

The written test consists of 65 multiple choice questions divided as follows:

- 18 questions on Biology
- 12 questions on Chemistry
- 8 questions on Physics and Math
- 2 questions on General Knowledge
- 20 questions on psycho-attitudinal subjects (logic, visual space reasoning, text understanding, attention and precision, numerical reasoning, problem solving)
- 5 questions on religious and ethical culture

Candidates have 65 minutes to complete the test.

Evaluation follows the criteria indicated below:

- 1 point for each correct answer
- Minus 0.25 point for each wrong answer
- No points for no answer
- The minimum score required to be eligible for the degree programme is no less than 20 points out of 65.

Please visit >international.unicatt.it for further information about the admission test (quiz books, online simulator etc.).

Admitted candidates will be asked to pay the first University fee instalment to secure their place in the programme within 2 weeks from the admission results publication. The aforementioned sum will be deducted from the AY 2023/2024 tuition fees. Should the admitted candidates not pay the deposit by the deadline they shall be considered as 'withdrawn'; vacant places shall be made available to other candidates according to merit ranking.

Admission information - general requirements

High School Diploma

The candidate's high school qualification has to:

- Be conferred after min. 12 years of previous global schooling, and be achieved after at least 2 years of attendance within the same national education system
- Satisfy the requirements for access to university in the awarding country

If, in the candidate's home country, admission to university-level studies is subject to a special exam (e.g. ENEM/ Vestibular in Brazil, TYT and AYT in Turkey, Gaokao in China, etc.), students must give evidence to have passed such selection with the required scores.

Applicants are not required to have any specific science subjects or grades, but are strongly advised to refer to the "List of topics to study for the scientific questions" document on the website to prepare adequately for the entrance exam.

More details on entry requirements on >international.unicatt.it

See the entry requirements section on page 54 for general undergraduate requirements (e.g. language prerequisites).

Student services

BECAUSE WE CARE

Working while studying

Non-EU students entering Italy on a student visa are permitted to work part-time (20 hours per week). Please note that many part-time job employers may require students to have a good knowledge of the Italian language.

Accommodation

Università Cattolica facilitates the search for accommodation by providing placement options at residences or other housing types in the city, or a list of recommended private housing providers specialised in international student accommodation. Each city campus will have different options.
Details at international.unicatt.it

Living expenses per annum

	From €5,000 to €8,000
	From €1,500 to €2,000
	From €2,400 to €4,800
	€400
	€200
	From €1,000 to €2,000

* The cost may vary depending on the area, the kind of room (single or double), utilities etc. Living costs in Piacenza are approximately €200 per month, lower than in Milan and in Rome.

Medical insurance

EU Citizens

If you are a citizen from either an EU Member State or an EEA country or you are of Swiss nationality, you should have a European Health Insurance Card (eHIC, Italian acronym: TeAM) obtained in your home country from your national healthcare authority. The European Health Insurance Card (or eHIC) allows you to receive medical treatment in another member state for free, or at a reduced cost. A patient contribution is required for prescriptions, medical examinations, oral and dental care.

Non-EU citizens

If you are a non-EU citizen you must take out an International Health Insurance which covers costs related to medical treatment and admission to hospital. If allowed by the Embassy/Consulate, you can also buy an Italian national Health Insurance upon arrival to Italy. Cattolica International will provide all necessary forms during the Orientation event.

All enrolled students are allowed to sign up for a health insurance policy provided by Università Cattolica valid for up to 12 months and renewable each year of enrolment at no additional cost. All eligible students will be notified of the terms and procedure to register. This coverage will cover students in Italy and other countries outside of the student's country of origin/residence.

Local transportation

Students on all campuses will have access to discounts on public transportation, as well as bike-sharing services.

Settling in

LIFE AT CATTOLICA

Student associations

International student associations (Milan campus)

Erasmus Student Network (ESN) is a key support network for international students. It organises numerous social and cultural events, tours and recreational activities.

Smint Piacenza (Piacenza campus)

Smint Piacenza is a student association, comprised of both Italian and international students. The association helps students from all faculties get together, assist new students become familiar with Piacenza and its surrounding area, as well as the campus, and in particular to make the most of the university experience through different activities.

Library

Milan has a unique underground and prestigious library containing over two million volumes, Rome has three different libraries, Brescia's new campus will boast a library with 180,000 volumes and a capacity of 70 seats. Piacenza and Cremona have seven halls spread over 1,500 square metres, 150,000 volumes, 3,000 periodicals, 68,000 e-journals and 445,000 eBooks.

Sport facilities

Milan campus

Centro Universitario Sportivo (CUS) is an association that promotes sport and physical education for university students in Milan. The CUS information point is located at the Milan campus, Largo A. Gemelli, 1.

Piacenza campus

Università Cattolica's Piacenza campus collaborates with various sports centres, sports societies/clubs, and gyms, located both in Piacenza and in Cremona. Students are recommended to bring their Student Card.

Rome campus

The big spaces of the Rome campus allow for two tennis courts, a soccer field for five players and one for eleven players, and a basketball/volleyball court. SportHouse is also an indoor sports facility.

The musical community (Milan campus)

"Studium d'Ateneo - Note d'inChiostro"

A centre of the musical community, with a highly reputed choir annually seeking new singers, and an orchestra eager for musicians to join the ensemble. "Studium - Note d'inChiostro" organises concerts, courses, seminars, academic laboratories and summer schools.

Health centre

Milan campus

Università Cattolica's Health Centre provides students with medical care, nursing care and psychological counselling. General, specialist (gynaecology, ophthalmology, nutrition) and preventative medical examinations are available to students.

Feature: Visits are free.

Piacenza campus

There is on-campus Medical Assistance which provides all registered students with medical care, nursing care and psychological counselling.

Feature: Visits are free.

Rome campus

The Health Centre, provided by Educatt, provides students with medical care, nursing care and psychological counselling. General, specialists (nutrition, dermatology, and gynaecology) are also available to students at a small additional cost.

Feature: Visits are free.

Career advising

WHAT'S NEXT

Internship opportunities

Internships may not be mandatory as part of the study programmes, though highly recommended to boost University experience and gain new practical skills. Our career service (Servizio Stage and Placement) is at students' disposal for finding internship opportunities in any preferred field. Through the online platform students will be able to access thousands of internship offers and contact the company/firm directly.

There are no remuneration standards. Some internships may include a reimbursement (lunch and transportation), others may offer a monthly salary, whereas some internships may not be paid. You will be able to view this information when browsing the different offers.

Career service

An experience at Università Cattolica is the first step towards a fulfilling education, which will allow talented students to excel in the work field.

Università Cattolica's Career Service will accompany students through this journey: the dedicated staff will help orientate along the paths of research, internships and employment, providing highly valued information and support through the following events:

Career fairs hosted at our campuses

Company presentations

Recruiting days

Selection process workshops

Business cases and industry professional presentations

Field projects, business games, business competitions

Meetings with HR managers and specialists

CV writing courses

Workshops and consultancy events on job search

We can safely say that numbers speak for themselves: over 10,000 internships are undertaken annually, and the Career Service boasts contacts with over 25,000 companies.

Final deadline**	First half of May, 2023 all programmes Second half of June, 2023 Food Production Management only

* There may be some variations based on the specific programme and/or the student's academic system of origin. Please check the programme webpage [international.unicatt.it](#) or contact international.inquiry@unicatt.it to have the most up-to-date programme details, specific entry requirements, and deadlines before submitting your application.

** Considering the strong competition for these programmes, students are strongly advised to apply within the first three deadlines.

Waiting list

Applicants for programmes that receive a high volume of applications and/or reach full capacity before the last deadline, may be placed on a waiting list. Details on the release will be communicated online.

Tuition fees and scholarships

Tuition fees do not depend on the students' citizenship but on residency.

The yearly tuition fee is divided in five different instalments: the first instalment for **all Undergraduate programmes** of € 1,470 and for **Medicine and Surgery** of € 4,000 will be considered as a deposit to confirm the spot in the programme.

Fees are based on the 2022/2023 academic year and may be subject to slight variations.

FISCAL RESIDENCY	TUITION FEES	SCHOLARSHIP OPPORTUNITIES
Italian residents	<ul style="list-style-type: none"> ■ Medicine and Surgery: tuition ranges from € 7,000 to € 16,000 per annum (varies according to the financial background of the student or student's family if dependent) ■ All other undergraduate programmes: tuition ranges from € 3,500 to € 9,200 per annum (fees vary according to the degree programme chosen and the financial background of the student or student's family if dependent) 	EU residents may apply for regular financial aid and additional scholarships provided by EDUcatt. For details please refer to educattunicatt.it
European residents* (excluding Italy)	<ul style="list-style-type: none"> ■ Medicine and Surgery: tuition ranges from € 7,000 to € 16,000 per annum (varies according to the financial background of the student or student's family if dependent) ■ All other undergraduate programmes: tuition is € 6,000 per annum 	EU residents may apply for regular financial aid and additional scholarships provided by EDUcatt. For details please refer to educattunicatt.it
NON-EU residents	<ul style="list-style-type: none"> ■ Medicine and Surgery: tuition is € 16,200 per annum ■ All other undergraduate programmes: tuition is € 8,340 per annum 	■ Medicine and Surgery: No scholarships available but EDUcatt financial aid is available. For details please refer to educattunicatt.it ■ All other undergraduate programmes: if awarded, international partial scholarship can reduce tuition fee to € 5,300 per annum. To be considered, simply click 'yes' in the relevant section of the online application form.

* Europe and affiliated states: EFTA member states (Iceland, Liechtenstein, Norway, Switzerland), Principality of Andorra, Principality of Monaco, Republic of San Marino and Vatican City.

Entry requirements*

Undergraduate requirements

- A high school qualification awarded after a minimum of 12 years of previous global schooling, and achieved after at least 2 years of attendance within the same national education system
- The high school qualification has to satisfy the requirements for access to university-level studies in the awarding country:
 - **American Diploma:** min. 3 APs in subjects relevant to the chosen programme
 - **British Diploma:** min. 3 A-levels in subjects relevant to the chosen programme
 - **IB Diploma:** a full diploma
 - **National Diploma:** if admission to university-level studies is subject to a special exam in the country where you graduated from high school, you must give evidence to have passed such selection with the required scores
- In all BSc degrees, candidates whose GPA is 75% or above (31 points for IB Diploma curriculum) will be given priority consideration for admission into the programme as long as places are available
- **Medicine and Surgery:** above requirements and passing Cattolica entrance exam, ranking within the first 50 (non-EU) or first 30 (EU) places according to your citizenship.
In the case of students with double citizenship, if one is of an EU country, it will prevail for the final ranking of the Competition Call (art. 19, comma 2, of L n. 218/1995).
In the case of students not confirming their offer and therefore making their seats available, we will move down the respective EU or non-EU ranking.

Language requirements

English language proficiency (for English-taught programmes - NO ITALIAN IS REQUIRED)

- Upper secondary studies completed fully in English, or in one of the listed national education systems, IB Diploma included (visit [› international.unicatt.it](#) for the up-to-date list)
- IELTS Academic (min 6.0); TOEFL iBT (min 84); B2 First (min. B). Università Cattolica's TOEFL institution code is 2605

Italian language proficiency (ONLY for Italian-taught programmes)

- If Italian is your mother tongue or if your high school is fully taught in Italian, no certificate is needed
- B2 (intermediate level), CILS or PLIDA, a language proficiency report by the attended language school

Mathematics requirements

For BSc in Economics and Management, Finance, and International Relations and Global Affairs, applicants may need to satisfy specific Math requirements.

Please check each programme webpage for details, visit [› international.unicatt.it](#)

APPLICATION PROCEDURES

1 - How to Apply

- **Choose your programme and apply online**
(Link available as soon as applications open
› international.unicatt.it)

- **Create an account**

- **Fill out the online application form** and make sure you indicate a second choice programme (option not applicable for MD Medicine and Surgery)

- **Upload the required documents**
(the list of documents may change according to the programme).

Check all required documents in the dedicated section "Application procedures" on the website
› international.unicatt.it

- **Submit your application**

- **Pay the application fee**

to start the evaluation procedure
› € 75 for all BSc
› €160 for MD Medicine and Surgery

2 - Admission Feedback

You will receive an email regarding the feedback on your application four to six weeks after round deadline.

If admitted, the feedback will outline:

- **The programme** you have been accepted to
- **The tuition fee** you will have to pay
- **The admission conditions**, if any

3 - Accept Our Offer

To reserve your place at Università Cattolica, please **accept** the offer and **pay the first instalment** by the deadline indicated in your admission offer.

- For BSc degrees: € 1,470
- For MD Medicine & Surgery: € 4,000

Applications for all programmes are available online at:

› INTERNATIONAL.UNCATT.IT

For a complete guide on application procedures, please visit the dedicated programme webpage:

› Admission and Tuitions › Application procedures.

4 - Obtain a Student Visa

Non-EU citizens need to apply for a study visa.

Upon receipt of the first instalment, Università Cattolica will provide you with instructions to submit your pre-enrolment request online on the Universitaly Portal, the preliminary step to apply for a student visa. After the University's approval of the pre-enrolment, you will refer to the Italian Embassy or Consulate for the rest of the visa process.
